Subject: Leave

Telephone calls from Mr. Appleby and Mr. Johnson of the Department of Agriculture to Mr. Wohlforth this morning confirmed Mr. Appleby's promise of yesterday, to see that the month of leave owed me by A.A.A. has not yet been used. I am to go back on the A.A.A. payroll (as per T. Weed Harvey's letter of May 28, 1937) when my work with committee ends. I am to stay on the payroll until I have been paid for this leave.
